## Project House Europe Workshop Series Summer Term 2023

This workshop series features contributions of Project House Europe’s Simone Veil Fellows, of Rachel Carson-Simone Veil Fellows as well as of affiliated researchers. The workshops are designed to enable in-depth discussions and exchanges of each contributor’s research project during and after the workshop sessions. The contributors provide a short pre-circulated paper (5–10 pages) and a 5 minutes “elevator pitch” to kick-off the 40 min discussion of each project.
