

# One Book — Many Worlds

Munich reads *Gun Island*  
by Amitav Ghosh

Join us for an interdisciplinary and vibrant discussion of climate change and its impacts!

## Kick-off Week with Amitav Ghosh

Amitav Ghosh will join us in Munich for a series of public events from 17-20 November 2024 to explore how art and humanistic perspectives can help tackle the challenges of climate change.

## Interdisciplinary Lecture Series at RCC's Lunchtime Colloquium

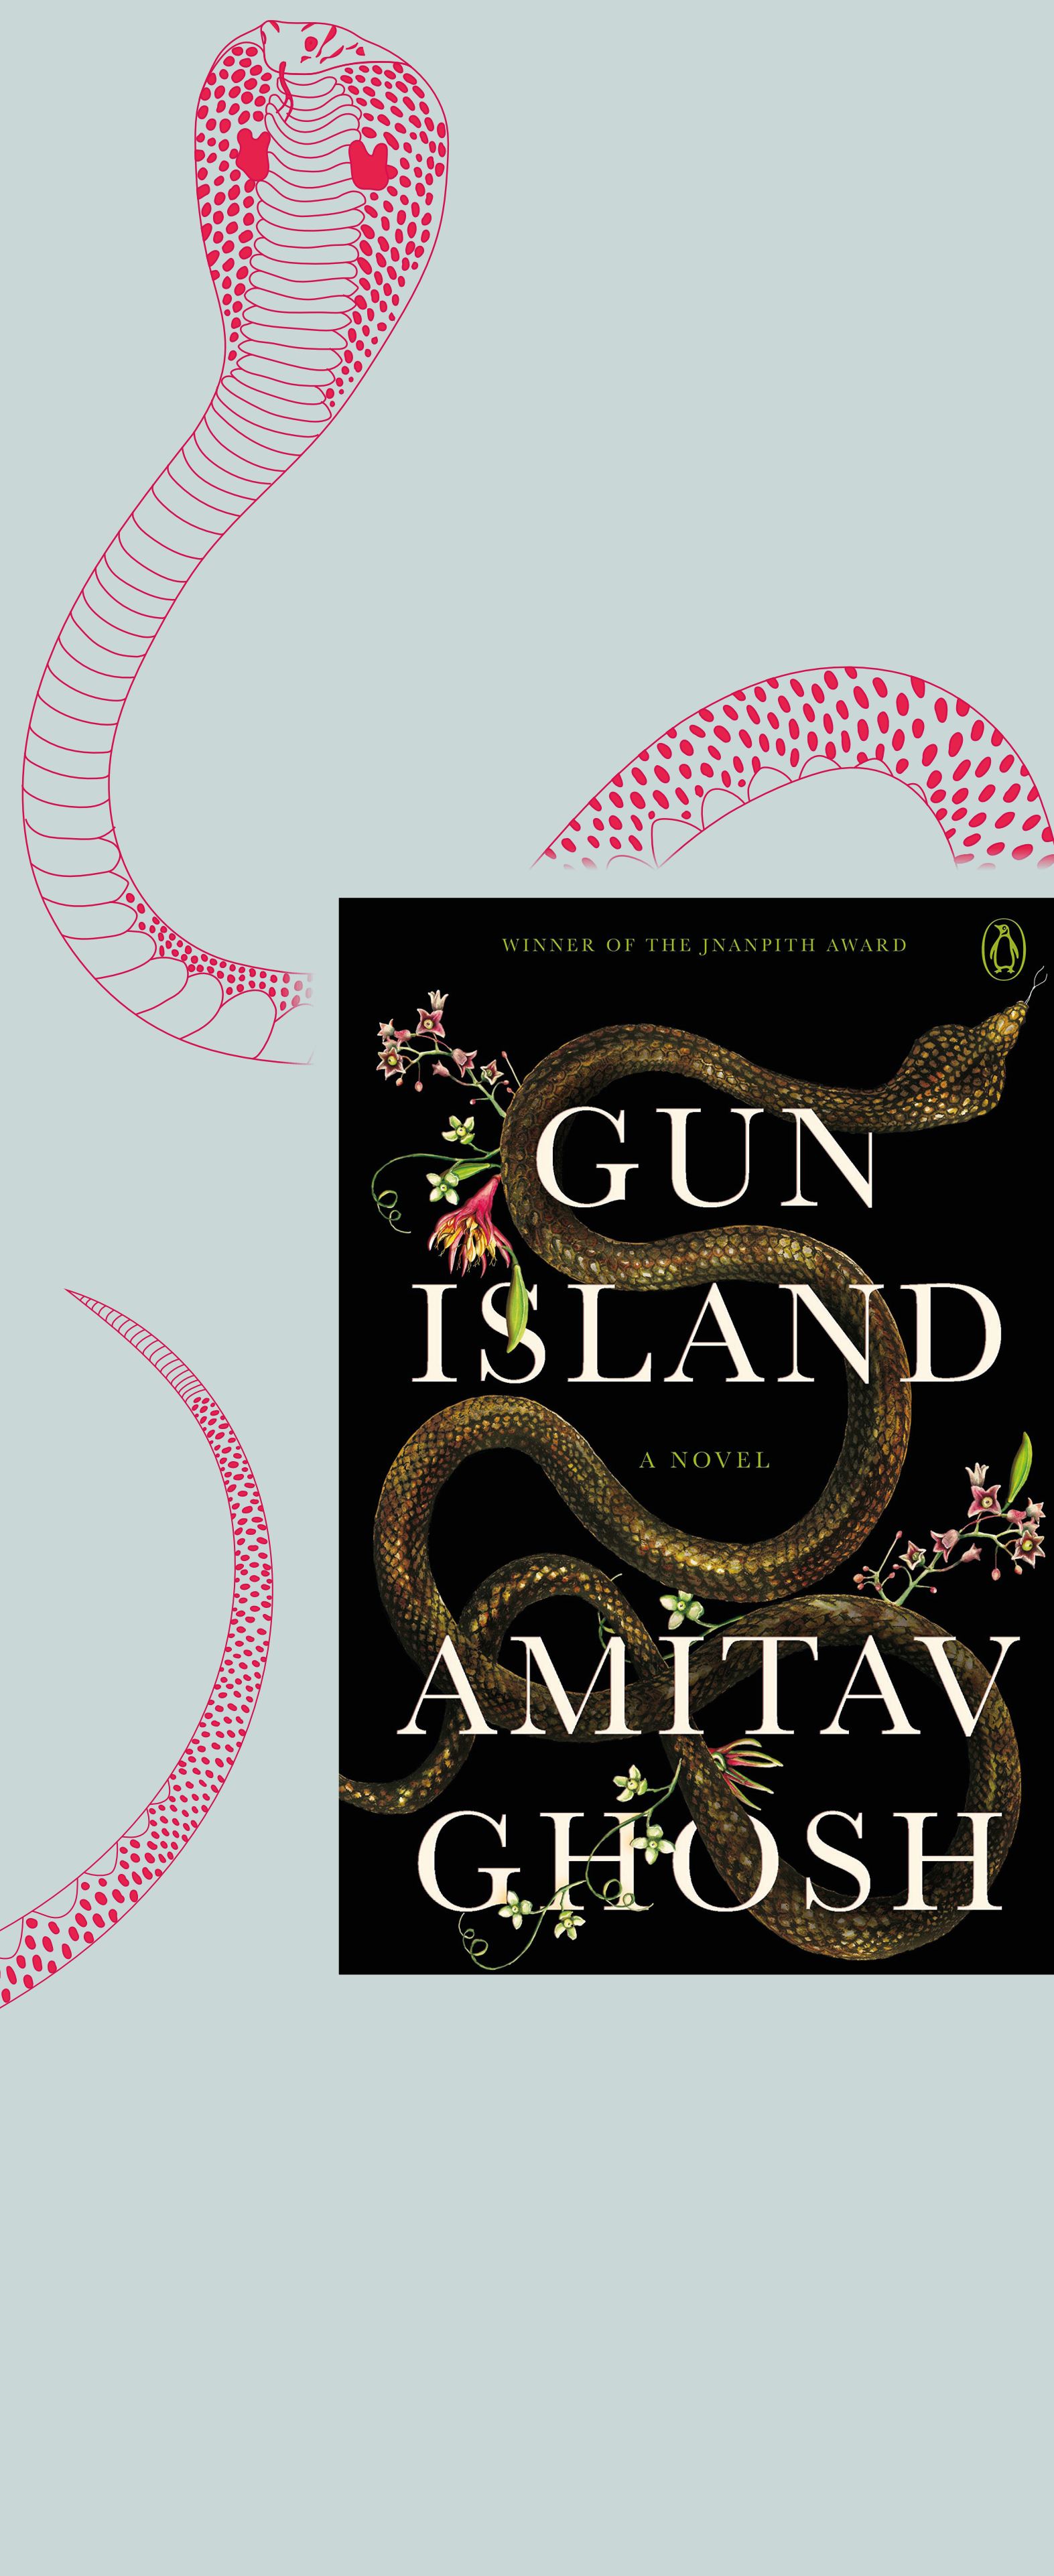

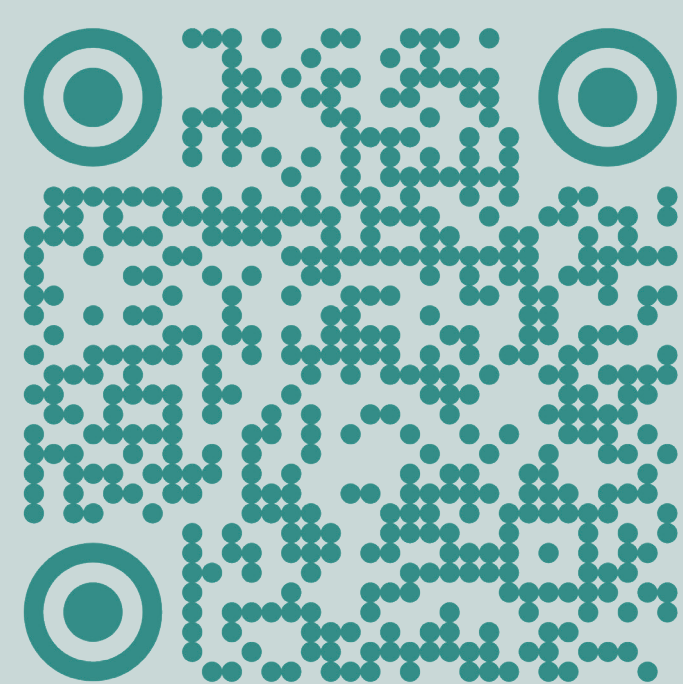

Two experts from different disciplinary perspectives take on a theme from the novel and exchange ideas in a subsequent discussion.

## Green Visions Film Series

This semester, "Green Visions" will screen four films related to the novel's themes. A discussion with an expert (in German) will follow each screening.

## Teaching *Gun Island* at LMU Munich

Over the 2024–25 winter semester, *Gun Island* will be featured in various student-oriented formats, engaging with the manifold climate-related issues raised in the novel.
